

JAN & WILLIANNE

ON JOURNEY WITH GOD

Things went a bit quiet on our end after we said goodbye at Cornerstone, but we're fully back! The summer holidays are over—time to catch you up and bring you along on our journey with God!

Farewell at Cornerstone

On June 27, the moment had finally arrived: the graduation! After two years of hard studying, we were able to receive our diplomas. The ceremony was made extra special by a choir in which we both sang, a play, and a

a speech by a teacher. Afterward, we enjoyed some snacks and drinks outdoors. Following the final cleanup, the time came on June 30th to say goodbye to so many dear people. Since it was Amélie's birthday on the day of our departure, we celebrated her first birthday with the community. We are grateful that she was able to spend her first year of life with so many brothers and sisters in the faith.

During the summer holidays, we were able to stay in various places, allowing us to visit many family members, friends, and acquaintances. God provided for this with precise timing. We enjoyed spontaneous encounters, sharing meals, having coffee together, and being close to family, friends, and the church once again. Thank you for all the warm reunions!

Lots of fun during the entertaining film clips and skits!

A moment for a brief testimony

Diploma in hand!

Grateful for two wonderful years!

Amélie 1 years old!

The candidate course

As you know, we are joining the mission organization WEC, which focuses on global church planting and evangelism. To get to know the organization better, we are participating in a two-and-a-half-month program in Emmeloord.

Together with two other couples, we are delving into topics such as WEC's core values, stories from the mission field, spiritual warfare, the care of missionary children, and church planting. It is a valuable time! We are sharing one of the WEC houses with another couple and hope to stay here until the end of October.

In the coming weeks, we will also be considering the next steps following the candidate course through in-depth assignments and conversations with representatives from various fields in Europe. One possibility is a trip across Europe to visit different fields and see if God is calling us to a specific location.

We now live at
Waalstraat 42 in Emmeloord!

Enough to do!

Interesting tests and assignments

The living room

A really fun promotion is coming up!

In October, we are teaming up with the fruit company Fa. de Jong Fruit from Leerbroek to organize a special offer! This time, the selection includes Elstar apples, Conference pears, juicing oranges, mandarins, and delicious juices in various flavors!

De Jong is renowned for the excellent quality of their fruit and juices, so it promises to be a tasty event!

We will share more information soon.

Keep an eye on our channels!

Prayer and thanksgiving

We are grateful for a successful conclusion to our time at Cornerstone and a smooth transition from OM to WEC. We have been warmly welcomed here and have already gained many new insights during the candidates' course.

We ask for prayer that we may manage our time well during this course, balancing our roles as parents and as missionaries-in-training.

This is also a time to look ahead: what will be the next step?

We pray that God will make it clear to us where He would have us serve in the future.
